

Funding for Zero-Emission Heavy-Lift Forklifts

up to
\$175,000
per forklift

Funding available now until March 22, 2022, or until exhausted

Applications accepted on first-come, first-served basis
Maximum up to \$10 million awarded per applicant

Scrap forklifts with internal combustion engines and replace to all-electric equipment

- Eligible equipment includes forklifts with a minimum lift capacity of 8,000 lbs or greater
- Forklift can operate in any sector anywhere in California
- Baseline equipment must have a Tier 4 or earlier combustion-fueled engine
- Baseline equipment must demonstrate 50 hours per year of usage to be eligible
- New equipment must be placed into service within 18 months from date of Notice to Proceed
- All equipment and the fleet must be in compliance with regulatory requirements

Please refer to the Solicitation Guidance for full details

You will need the following documentation to apply:

About your Organization:

- General and property liability insurance;
- Compliance demonstration with CARB regulations applicable to all equipment owned by applicant; and
- Applicant W-9

About your Equipment:

- Photos of existing equipment with engine tag(s);
- Usage records with hour meter readings for twelve (12) consecutive months from 2019 or later;
- CARB Executive Order(s) for existing engine(s);
- CARB approval of new engines as zero-emission; and
- Itemized quotes for new zero-emission equipment and any included infrastructure.
