

Funding for Electric Forklifts

up to
\$175,000
per forklift

Funding available now

Applications accepted on first-come, first-served basis
Maximum up to \$10 million awarded per applicant

Scrap forklifts with internal combustion engines and replace to all-electric equipment

- Eligible equipment includes forklifts with a minimum lift capacity of 8,000 lbs or greater
- Forklift can operate in any sector anywhere in California
- Baseline equipment must have a Tier 4 or earlier combustion-fueled engine
- Baseline equipment must demonstrate 50 hours per year of usage to be eligible
- New equipment must be placed into service within 18 months from date of Notice to Proceed
- All equipment and the fleet must be in compliance with applicable CARB fleet rules.

Please refer to the Solicitation Guidance for full details

You will need the following documentation to apply:

About your Organization:

- General and property liability insurance;
- Compliance demonstration with CARB regulations for equipment and for applicant's fleet; and
- Applicant W-9

About your Equipment:

- Photos of existing equipment with engine tag(s);
- Usage records with hour meter readings for twelve (12) consecutive months from 2019 or later;
- CARB Executive Order(s) for existing engine(s);
- Determination that new equipment is zero-emission;
- Itemized quotes for new zero-emission equipment and any included infrastructure.
